

Voyage d'hiver

22 OCTOBRE 2017 – 7 JANVIER 2018

[...] This season of contemporary creation will, with each passing day, reveal these “salons of greenery”, in the steadfastness of their (sometimes overlooked) beauty. “Voyage d'hiver” is a vehicle to take visitors down a path to replenish their emotions for the first step of every journey begins from within [...].

Catherine Pégard

President of Château de Versailles

[...] Sculpture, sound installation, painting, drapery, reflection, oxidization, and glaciations are just a few of the techniques employed: metamorphosing a stroll into a personal experience, allowing visitors to perceive nature's transformation from the glory of autumn to the starkness of winter [...].
